# Shear Magic Blade & Tool Guide

SELECTING THE RIGHT TOOL FOR THE JOB

PAGE 1 OF 11

The Shear Magic Professional standard steel blades are excellent value without compromising on quality. Made from high carbon steel with Rockwell hardness rating of 62 to stay sharp longer. Hand finished to ensure smooth and effortless clipping. The best value professional blade on the market.

Shear Magic Professional Wide Blades 35%\* greater cutting width, making grooming quicker. Save time and money by getting the job done quicker. Essential accessory for today's professional groomers. Wide steel blades are made from the same factory that makes our ever popular Shear Magic standard steel blades. Shear Magic blades are excellent value without compromising on quality. Shear Magic wide blades are the best value professional blade on the market. Universal—fits all A5 style clippers

Shear Magic Professional Ceramic Blades - a cooler and longer lasting blade. The cutting blade (top cutter) is made entirely from ceramic with a metal bottom blade. Ceramic does not conduct heat, so they will run cooler than steel cutters on steel blades. Ceramic lasts much longer between sharpening.

All our Shear Magic Professional blades listed are - Universal detachable blades —fits all A5 style clippers

## Shear Magic Professional Range of Tools

A complete range of grooming tools designed for the Professional Groomer and because it's Shear Magic, you know it's premium quality at an affordable price.

These tools have been made to the highest standards to ensure you are 100% satisfied.

Shear Magic  
PROFESSIONAL

### PIN BRUSHES

Our professional range of pin brushes remove tangles, dirt and loose hair. Stimulating skin and hair follicles to help spread natural oils through the coat to make it glossy and healthy looking. Our brushes have stainless steel pins. Each bottom of the brush is wrapped in rubber, therefore the teeth will remain in the holder even after many uses. Our brushes are anti slip, easy-grip handles.

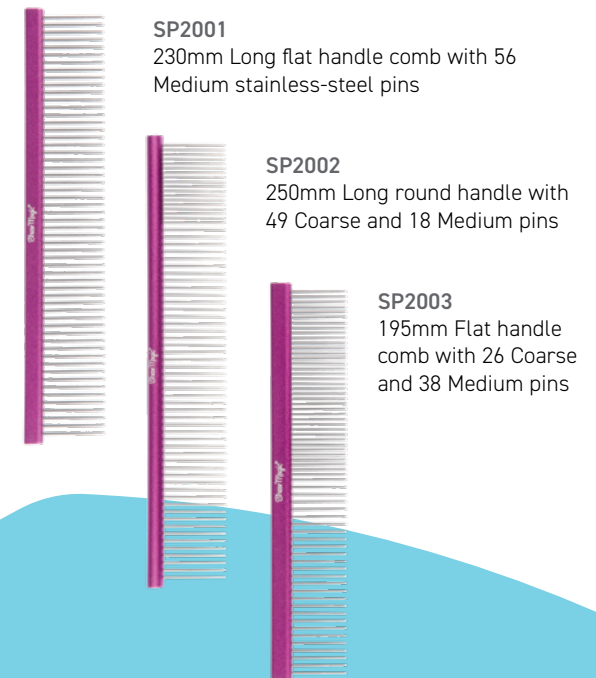

**SP001**  
Small – 25mm  
long pins

**SP002**  
Large – 25mm  
long pins

### ALUMINUM COMBS

Our professional range of combs are ideal for all breeds. They are designed to ease out tangles and matts. Removes loose hair, dirt and helps prevent hair from becoming matted. Great for detangling. Perfect for fluffing. Lifts coat evenly for clipping and scissoring. Lightweight reduces hand fatigue. Round teeth preventing skin irritation. Non-corrosive aluminium handles – strong, durable, and easy to disinfect. Stainless steel pins.

**SP2001**  
230mm Long flat handle comb with 56  
Medium stainless-steel pins

**SP2002**  
250mm Long round handle with  
49 Coarse and 18 Medium pins

**SP2003**  
195mm Flat handle  
comb with 26 Coarse  
and 38 Medium pins

### UNDERCOAT RAKES

Our professional range of undercoat rakes are designed to strip, demat and detangle coats quickly and easily. Ideal for removing loose dead hair, leaving the coat looking healthy. Comfortable handles. Curved stainless steel blades

**SP1001**  
Wide 13 coarse teeth blade

**SP1002**  
Narrow 8 coarse teeth blade

**SP1003**  
Narrow 16 extra fine teeth blade

### STRIPPING KNIFE

Our professional range of stripping knives are ideal for plucking and removing excess undercoat.

**SP3001**  
14 coarse teeth blade made from the finest quality, stainless steel

### SLICKERS

Shear Magic Slicker Brushes are effective to help remove loose hair, knots and debris from your dog's coat. The Shear Magic Slicker Brush reduces shedding, whilst stimulating the skin and hair follicles. Resulting in tangle-free, snarl-free hair. Our slicker brushes have soft pins which will make your dog feel comfortable.

**SP506**  
Puppy

**SP507**  
Small

**SP508**  
Medium

**SP509**  
Large

### FLEXI SLICKER BRUSH

The Shear Magic Flexi Slicker are double sided with flexible head that follows body contours for a perfect gentle brush stroke. Slicker brushes are effective in helping remove loose hair from your dog, knots and debris from their coat. Begin with the firmer pins, following the direction of the coat, allowing the brush to flex over the contours of their body. Turn the Slicker over using the softer pins to circulate oils through the coat for a natural shine.

**SP512**  
Small - Medium

**SP513**  
Medium - Large

### NAIL CLIPPERS

Top quality professional nail clippers, has stainless steel blades with a high quality curved cutting edge giving a clean cut to the nail. Great for all size dogs.

### NAIL GRINDER

Ideal nail grinder for trimming, shaping and smoothing nails. Great for soft nails, tidying up edges, shy foot dogs, reconditioning anxiety dogs. Great for all size dogs. Great tool for the professionals
